

# **The Hoop Facility Rules**

## **March 7<sup>th</sup> – March 8<sup>th</sup>, 2008**

by request from management

The Hoop has requested that we honor a couple of simple rules during our tournament on March 7<sup>th</sup> and 8<sup>th</sup>. These are:

- No Outside food or drink permitted in the facility other than personal water (no commercially bottled water bottles).
- No chewing gum.
- No moving of facility furniture.
- Any personal chairs brought into the facility must be non abrasive to the floors.

Thanks again to The Hoop for being a partner to put together our ODOT tournament this year!

Let's all be respectful of these rules and inform anyone that you invite or have visiting for the tournament about these restrictions.

Thanks again,

ODOT Basketball Committee
